### 1. Course Introduction

This course is designed for foreign students who have no or little background of learning Korean. This sixteen-week course intends to help students make rapid progress and accomplish beginning level proficiency of Korean language including Hangeul. Students are also expected to raise their understanding of Korean culture expanding their language experiences in the class.

### 2. Course Objectives & course outcome

1. Students will be able to read and write Hangeul.
2. Students will be able to make simple sentences using vocabulary and grammar in beginning level.
3. Students will be able to express simple ideas in beginning level of Korean.
4. Students will be able to make discourse and communicate with classmates through class activities.
5. Students will be able to understand not only Korean culture but also other nation's culture through social language experience during class.
6. By the end of the course, students are expected to be able to carry out basic level of communication skills, to understand of a lengthy narrative discourse, and to broaden their language experience about Korean culture.

### 3. Class types and activities

\* Lecture type and class procedure

1. During this semester, the lectures will be given with a type of blended learning using Face-to-face, video-lectures on line and real-time on-line through Google Zoom.

Therefore, students need to read the syllabus carefully and check the type of lecture each week in advance. .

2. During the face-to-face class, various types of class activities will be used to lead students participation in speaking, reading and writing.

3. During 1st part of the semester when learning Hanguel, main textbook and supplementary materials such as PPT and CD will be used.

4. During 2nd part of the semester when learning with Essence Ewha Korean 1A, teacher prepared hand-outs and PPT will be used.
